But the Church, the Bride, is united by one God, under one Spirit, the Spirit of God, in one holy Union of God, to be one holy Bride to God. That's right, all together; unity of the Body. The Body waiting as a Bride; as--as it is the Bride, as we call ourselves the Bride. For the uniting time of the Bride, the Church is so coming together. It should create just a love among us, that we could hardly be away from one another.

Jubilee

## Unity

*Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) And hath raised us up together, **and made us sit together in heavenly places in Christ Jesus:***

Ephesians 2:5-6

We remember it well, as it was on a Friday night, March 15th, when we first saw the announcement of the 50th year commemoration of the Seven Seals. We felt moved to open our doors for the next week, dedicating the entire week to the listening of the Seals. The announcement was well received. As a charger for the opening of the First Seal on Monday, we had the double service on Sunday listening to "God Hiding Himself In Simplicity, Then Revealing Himself In The Same" and "The Breach Between The Seven Church Ages And The Seven Seals." For eight days, we gathered each day according to the times that these Messages were preached. Before each Seal, we read the article posted on [www.branham.org](http://www.branham.org) concerning it, and showed the banner pictures for each seal, which the children particularly enjoyed and, of course, watching the video. Since we were already in the Church Ages, it seemed like the Seals were so appropriate at this time. Truly, what a week! At the end, we were just bathing in the blessings. The children were excited about the pictures of the horses and especially the eagle, after they found out who it represented.

Little did we know that the Jubilee didn't end there. When we saw the article entitled "Jubilee!" inviting us to "travel" with Bro. Branham for the entire year, our pastor felt led to again open our doors for these services. This morning, at around 4:00AM, we began gathering at church to listen to "The World Is Falling Apart." Since this Message was at a breakfast, we gathered for the sermon early, so that the brothers could go to work afterwards. We've just finished listening to it and we're off to work. what a way to start our day! We are really excited to see what the Lord has in store for us this year.

God bless you all, be encouraged, keep pressing the battle!

The brothers and sisters at Sunset Tabernacle, Point Fortin, Trinidad.

## There is one thing that always brings the Bride together: The Word.

For one week, a quarter million or more people put aside all differences and agreed on every doctrinal issue associated with Brother Branham's Message, including the five-fold ministry, tape ministry, Tent Vision, Third Pull, Seven Thunders, and Seventh Seal. In unity, we just listened to the prophet and welcomed every word with open arms.

### **Could that really happen? Yes, it did happen! And it's still going on.**

On March 15 of this year, we posted a simple article on [www.branham.org](http://www.branham.org), encouraging believers around the world to listen to Brother Branham's sermons on the Seven Seals. We reminded them that it was the 50-year anniversary of the Revelation of the Seven Seals. Not only that, but the First Seal was preached on Monday March 18<sup>th</sup>, which happened to fall on the same day of the week in 1963 as it does in 2013. What happened next was unprecedented.

On Monday, March 18, tens of thousands of believers from 138 different countries went to [branham.org](http://branham.org) and downloaded *The First Seal*. We shattered every record we kept for statistics on the website. Over the next week, we had more than 110,000 visits from 154 different countries.

Then the testimonies started rolling in. Churches opened their doors every day for believers to be together while they listened. Families gathered in their homes in the evenings with their notepads and their Bibles. Some were traveling and listened in their cars, and others took a few hours each day to get alone and hear the prophet on their earphones. Many believers in overseas countries went to internet cafés or libraries to stream the sermons from [branham.org](http://branham.org).

Many believers don't speak English, so we posted every translation of the Seals we had. Churches passed out the translated books before service, then streamed the English while the people read the translations. Many of them said they wanted to hear the prophet's voice, even though they could not understand, because they knew believers around the world were also hearing the same voice. There was a longing among believers everywhere to be together.

Here at the VGR Headquarters in Jeffersonville, the whole building was buzzing with conversations about beasts and horses, the Nicene Council, the Church Ages and how they relate to the different riders, when the Bride is raptured... Talk about a Jubilee! And it certainly wasn't only in Jeffersonville. We received the same reports from our offices overseas about the believers in their countries. It seemed that EVERYONE in the world was so excited that they almost couldn't wait to hear what Brother Branham had to say on the next Seal. Of course, the question came to our minds: "What is going on? We've never seen this before."

What we saw during that week was more special than any of us could have imagined: The Bride of Christ set aside every doctrinal difference and came together on the common ground that we all have: the Message of the prophet, William Marrion Branham. It didn't matter if we listened in church, at home, or on the road. Our opinions on the Seven Thunders, the Third Pull, or the Tent Vision had nothing to do with it. Brother Branham preached on every doctrinal issue, and we all agreed! The Voice of Revelation 10:7 brought us together unconditionally. There is only one word to adequately describe that week: LOVE. We all loved what we were hearing and we loved each other.

The most common comment we received was that people enjoyed knowing that so many believers were also listening to the same sermon. We may not have been together physically, but we were together in spirit and it felt great! Even the believers who are completely isolated and have no fellowship or church to attend felt like they were right there in the congregation with everyone else. For some, it was the first time they realized what it is to *sit together in heavenly places in Christ Jesus*.

We always keep a close eye on the comments that come in through [branham.org](http://branham.org), and we were especially watching this week. With the hundreds of comments we received, you would think someone, somewhere, would have been critical of listening to these sermons. We received no negative feedback: NOT ONE. If they didn't like it, they didn't tell us.

The believers seemed to receive such a blessing that we posted another article a few weeks later, suggesting that we keep going through the rest of 1963. It almost brought the house down! Again, the website was flooded with visits. We continued to post all of our translations for download, both audio and text. The testimonies continued to roll in from around the world.

If you haven't yet received an invitation to listen to these sermons, we would like to take this opportunity to invite you. This isn't a meeting being run by Voice of

God Recordings and you certainly don't need to miss any services at your home church. It's simply thousands of believers listening to the prophet, all during the same day.

If, after reading this article, you still have a question, the best thing we could say to convince you would be to quote the disciple Philip when he told Nathanael, "Come And See."

Here are a few of the testimonies we have received from around the world:

We thank God for such a remarkable experience. Listening to the seals in the jubilee year where the date fell on the same day of the week when the seals were opened, it was more than a coincidence. We thank God for giving us such a great liberty and freedom from sin through the opening of the Seals. We are free! We are free!

Kenya

Yes, indeed was a great blessing to us as well. And to see our 5 kids, from age 4 to 12, some of them highlighting their Bible and taking notes, looking forward for the time to listen to the 7 Seals. Even when my husband would get back from work late at night, we still would all listen together till 11:30 PM and even 1:00 AM! And they were ALL awake. Really listening! Next morning they would talk about it and I'm so proud of them and SO thankful to our Precious Lord to see His Work in our family. God bless you so much Bro Joseph and VGR family, for all you do! We love you and appreciate you all a lot!

After listening to the First Seal the Holy Ghost was moving so strong I told my children I felt like I could go through the roof and meet the Lord in the air. I told them I was SO happy. Then at service on Wednesday my pastor was saying how he had read the First Seal in Spanish to his wife for 5 hours. He was so blessed He said he felt like going through the roof also. After church I told him I had felt the same way. One Listening, One reading, Same Experience. What a blessing this precious Word.

USA

My family and I thoroughly enjoyed this tape. We're growing in Him! I believe what Bro. Branham said in paragraph 38 (63-0428, Look), "*But as these things begin to happen: the Church binds itself together, tighter and tighter, with the... by the Word of God.*" This is exactly what we are doing listening to these Jubilee messages. I am seeing in myself a greater focus or concentration for actually hearing everything Bro. Branham is saying, trying not to miss one word.

USA

I too have been so blessed. We live where there is no Message church... The Jubilee has truly been wonderful for us. Even though there has been a few of us together in our little home church, I could feel the presence of the Holy Ghost and felt as though thousands were gathered together as never before. How beautiful. Words can't really describe from a heart that constantly longs for the Union of the Bride.

USA

Wonderful, exciting, blessed! Words can't express the feeling mothers and children experienced in the presence of God this Sunday at Perfect Love Fellowship, Windhoek, listening to the Voice of God through His prophet. Not only mothers, but brothers and fathers as well, all repeating after prophet, "If you lose it, you'll keep it. Keep it, and you'll lose it." Amen. We were all captivated by the beautiful illustration of the prophet. At the end, it was marvelous to see mothers and children rushing to the altar at the invitation of the Holy Ghost through His prophet to receive their blessing.

Namibia

After 31 years, this is my best Mother's Day EVER! Can't find words to express myself - it's a real Jubilee going on with me here. GLORY!! PRAISE BE TO GOD. I have read this Message book more than once, but reading and listening is a million miles apart. This is just wonderful. It's so glorious! WOW! Thanks be to GOD ALMIGHTY for making this possible. Praise His Holy Name. Isn't He Wonderful!

Grenada

How wonderful! God bless you Brother Joseph and thank you once again for letting us come together and sit in Heavenly Places with the Bride around the world! I can't wait for Sunday.

Australia

To me, this is like a trip. The trip started from the Seals, to *The World Is Falling Apart*, and from there to *God Hiding Himself In Simplicity*, and from there to a *Victory Day*, and from there we came to land off in *LOOK* for a while. Oh my, I feel religious.

As Brother Branham said:

"That's what the Church ought to do today. Look to the one thing, the Voice, the Word of God that speaks to us. Churches and peoples can speak any way. But, look to the Voice. What are we looking at?"

Then I am not looking at the world that is falling apart, but I am looking to God hiding Himself in simplicity, I am looking in a *Victory Day*, I am looking at the One that opened the Seals, The Voice Of God for my generation.

Angola

Oh God, let me take my eyes off the world and look at You, and You see the power of your resurrection...

Cameroon

I awoke this morning so excited, for I knew that we were going to listen to another Jubilee message! How wonderful! It's like going to church with hundreds of lovely Christian people who BELIEVE this Precious Message. I expected so much, and of course was not disappointed. Thank you again! God bless,

Canada

I'm so glad that I can say: I'm one of them. Praise the Lord for the great blessing that He gave us.

Italy, Sicily

[Note: This testimony was sent in Portuguese from a believer in Brazil, who does not speak English. The sermon was in English, but they listened anyway]. Thank you Lord Jesus, the prophet is on the scene. What would I do without the revelation of Your Word? I just have to thank you and look to follow Thee. ... We have heard each message being posted on the page, in this Jubilee, even in English, because we believe that the Anointing is in the Voice. We believe that looking at Christ, soon the day of Victory will be ours.

Brazil

When I was kid, my parents told me that the Bride would gather together before the rapture. For years I have wondered about that. NOW I SEE, HALLELUJAH!!! WHAT A TIME WE'RE LIVING IN! Truly, we are, today, sitting together in Heavenly places in Christ Jesus! What a time, what a time... LOOK AND LIVE!

Norway

Wow!!! They just keep getting better. We felt the Holy Spirit in our home tonight. We just sat there and soaked it in, even after the tape stopped playing. He is so good to us! Feasting on this hidden Manna while the world is starving to death.

Thank You Lord Jesus for Your Love!

USA

Souls have been released and blessed listening to this sermon. Thank God for this divine inspiration that was given to VGR to come together every week around a "jubilee time" for to listen to His prophet, and tell us and build our souls.
